A Notice of Abandonment mailed July 3, 2001 indicates that this

OFFICE OF PETITIONS
DEPUTY A/C PATENTS

Application is abandoned for failure to respond to the non-final Office Action
mailed October 24, 2000. Applicant respectfully submits that the Notice of
Abandonment was issued in error.

Applicants timely filed a Request for Continued Examination (RCE) on
April 24, 2001, and thereafter filed an amendment addressing the issues
raised in the outstanding Office Action. This response was intended to be
compliant with the Rules, and, thus, the Application was unintentionally
abandoned.

Applicant respectfully requests that the Notice of Abandonment be
withdrawn. Pursuant to 37 C.F.R. § 1.137(b)(1), a copy of the required reply,
together with the petition fee under § 1.137(g)(2), are enclosed herewith.
